EASTERN ILLINOIS UNIVERISTY

KINESOLOGY AND SPORTS STUDIES

Spring 2013

KSS 2440 Structural Kinesiology

12:00 -12:50 p.m. M/W/F

Lantz Classroom 3401

INSTRUCTOR:	Mr. Chris Ryan, M.S.	clryan@eiu.edu
OFFICE:	1417 Lantz	581- 7229 (office)
OFFICE HOURS:	TBA	

COURSE DESCRIPTION/OBJECTIVES:

a. Analyze how human movement occurs through the planes of motion and around their respective axis of rotation.
b. Identify and describe the various types of bones and joints as well the major tendons and ligaments in the human body.
c. Describe the type of movements at each of the major joints involved with movement of the human body.
d. Analyze how muscles with their origins and insertions to the bones dictate the movements at the major joints of the body.
e. Evaluate human movement in relation to muscle and joint actions.

EVALUATION:	Exams	60% of Grade
	Class Assignments	40% of Grade
GRADING:	A = 100-90%	
	B= 80-89%	
	C= 70-79%	
	D= 60-69%	
	F= below 60%	

SPECIAL NOTE: If you have a documented disability and wish to receive academic accommodations, please contact the Coordinator of the Office of Disability Services (581-6583) as soon as possible. TEXT:Floyd. R.T. Manual of Structural Kinesiology (17th Edition) McGraw-Hill, 2007.

ALL students in the Kinesiology & Sports Studies Department, i.e., exercise science, sport management, athletic training, and teacher certification majors must receive a grade of "C" or better in this course or it must be retaken.

Students who are having difficulty achieving their academic goals are encouraged to contact the Student Success Center (www.eiu.edu/~success) for assistance with time management, test taking, note taking, avoiding procrastination, setting goals, and other skills to support academic achievement. The Student Success Center provides individualized consultations. To make an appointment, call 217-581-6696, or go to 9th Street Hall, Room 1302.
