**Miville-Guzman Universality-Diversity Scale-Short Form, (M-GUDS-S)**

The following items are statements using several terms that are defined below for you. Please refer to these definitions throughout the rest of the questionnaire.

**Culture** refers to the beliefs, values, traditions, ways of behaving, and language of any social group. A social group may be racial, ethnic, religious, etc.

**Race or racial background** refers to a sub-group of people possessing common physical or genetic characteristics. Examples include White, Black, American Indian, etc.

**Ethnicity or ethnic group** refers to a specific social group sharing a unique cultural heritage (e.g., customs, beliefs, language, etc.). Two people can be of the same race (i.e., White), but from different ethnic groups (e.g., Irish-American, Italian-American, etc.).

**Country** refers to groups that have been politically defined; people from these groups belong to the same government (e.g., France, Ethiopia, United States). People of different races (White, Black, Asian) or ethnicities (Italian, Japanese) can be from the same country (United States).

**Instructions:** Please indicate how descriptive each statement is of you by circling the number corresponding to your response. This is not a test, so there are neither right nor wrong, good nor bad answers.
