

Outstanding Faculty Award for the College of Sciences

The **College of Sciences Student Advisory Board** (COS-SAB) recognizes an outstanding faculty member from the College of Sciences each year. The nominating student or COS-SAB member honors the award recipient at the annual ScienceFest.

To submit a nomination:

1. Fill out the information form below.
2. Write a short essay explaining why you think this professor deserves the Outstanding Faculty Award and attach it to this form. Consider the following information:
 - How has your professor facilitated your learning?
 - What has your professor done to impact students through other services outside of the classroom (i.e. Registered Student Organization involvement, cooperative research, field experience, advising, etc.)?
 - What has your professor done to contribute to his/her scientific field of study?
 - How has your professor impacted your future career goals and assisted you in achieving these goals?
 - Any other relevant information.
3. Deliver the completed nomination to the College of Sciences Office (2118 Old Main).

Nominations are due by the posted deadline. It is recommended that essay be typed. If you choose to type your nomination, please limit your response to 4 pages, double-spaced.

The Outstanding Faculty Award recipient will be selected by the College of Sciences Student Advisory Board and awarded at ScienceFest.
