From: Daniel D Deeken dddeeken@eiu.edu

To: 'Gary Hanebrink' gwhanebrink@eiu.edu, 'Adam J Due' ajdue@eiu.edu, 'Charles L Phillips' clphillips@eiu.edu, 'Christine Childress' cchildress@eiu.edu, 'Jeanne R Snyder' jrsnyder@eiu.edu, 'Jeffery F Cross' jfcross@eiu.edu, 'Phil L Lang' pllang@eiu.edu, 'Robert L Miller' rlmiller@eiu.edu, 'Sheila D Baker' sdbaker@eiu.edu, 'Sheila R Simons' srsimons@eiu.edu, sheilarsimons@gmail.com, 'Vicki Woodard' vwoodard@eiu.edu, 'Sandra P Baumgartner' spbaumgartner@eiu.edu, 'Jody E Stone' jestone@eiu.edu, 'William V Weber' wvweber@eiu.edu, 'Daniel Nadler' nadler@eiu.edu,

When: Friday, October 01, 2010 at 10:00 AM – 11:00 AM (Central Time)

Where: Shelbyville room of MLK Union

Next Scheduled Meeting: Friday, November 12, 2010 at Shelbyville room of MLK Union

Guest Speakers at Meeting: VPBA – William Weber and VPSA – Daniel Nadler

William Weber had two items for Environmental Health & Safety to review this year.

1. Review and revise three of the ten Emergency Response Annexes from Emergency Plan.
 - Direction and Control / Public Information / Resource Management – Annexes
2. The 2012 Emergency Exercise at EIU. The IEMA state wide emergency response exercise requires a command and control structure with organizational charts and extensive planning. Need to form an internal group for planning and EIU parts of program. Initial planning meeting with all groups is scheduled for Oct. 28th, 2010 at MLK union.

Daniel Nadler had several items for review this year.

- To formalize annexes programs / Systems for Emergency planning – early warning flags / Better define systems to address before event problems / Prevention to minimize impact – information forward / Additional code Blue phones to be installed. Other groups doing similar study – Student Support Team / Violence Control Team / EHS Committee.
- Emergency Drills performed / Canceled spring emergency drill –student face book threat to EIU / Campus Alert Tues. Oct.5th to test EIU sirens, Informer box's, Pop up messages on PC's.

Gary Hanebrink noted that several fire prevention events will be performed this weekend at EIU football family tailgate such as Fire Extinguisher usage training, Student room burn demo – Sprinkler & Non-sprinkler and CFD Smoke trailer. Presently 80% of housing is sprinklered and 100% of housing will be sprinklered by end 2012.

Dan Deeken talked about resent Ergonomics study and training report done for Academic Advising personal.
