Gentlemen:

Referring to the plans and estimates sent you last Fall, for your proposed Greenhouse, we write to ask you if you have decided anything definite as yet, regarding this work.

We will appreciate it if you will kindly write us stating how this matter stands, as, if you have abandoned the idea of building, or have placed the order elsewhere, we would like to discard the matter from our "follow up" files.

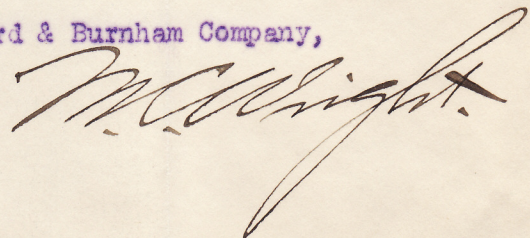

If the matter is still unsettled, and if you desire any further information, we will be very glad to furnish same.

Enclosed herewith stamped envelope for your reply. Awaiting your further favors, we remain

Yours truly,
