

# ALL GREEK INTRAMURAL CHAMPIONS POINT SYSTEM

**PURPOSE:** To foster friendly competition between Greeks as they compete in an accumulation of points to determine the ALL GREEK CHAMPION for men and women. Our office is interested in feedback regarding this program.

## I. ELIGIBILITY

- A. Greek teams are limited to current members in good standing in their organization that meet the intramural eligibility requirements. While off campus teams may compete in Greek leagues and events, they will not be considered in the quest for the ALL GREEK SPORTS CHAMPIONSHIP.
- B. Regardless of the number of teams entered by a particular fraternity or sorority, only one team in each division will be eligible to accumulate points. Any or all teams from a fraternity or sorority will receive deductions, however, the team that finishes highest in the playoffs will be the team that will accumulate the points.
- C. When A & B leagues are offered, a "B" league will only offer half as many points as an "A" league. Deductions will remain at the same level for all leagues.
- D. Only two teams or individuals per fraternity or sorority may represent that fraternity or sorority in any individual or dual event for positive points, regardless of the number of levels or divisions offered. Any number of players may enter, but only two will earn points. All individuals or teams will still receive applicable deductions.
