Peabody Picture Vocabulary Test – Third Edition, Form IIIB

(administered April 5, 2007)

Authors: Lloyd M. Dunn & Leota M. Dunn

Copyright Date: 1997

Purpose: This assessment is an achievement test of receptive vocabulary attainment for Standard English and a screening test of verbal ability.

Description of Student's Behaviors: Nathan was cooperative during this assessment and readily understood the directions. As it became more challenging, he began asking if we were almost finished.

Results:	Raw Score	116
	Standard Score	100
	Percentile Rank	50
	Normal Curve Equivalent	50
	Stanine	5
	Age Equivalent	8-08

Interpretation of Results:

Nathan scored as well as or higher than 50% of the students his age that were tested. His score puts him at an age equivalent of eight years, eight months, which is two months higher than his chronological age. The overall score falls within the average range expected for a student his age.
