

Titan Arum Blooming Event Parking

Staff parking lots bounded by Lincoln Avenue, Tenth Street, Garfield and Fourth Street require parking permits available from University Police (Grant and 7th) for \$1.50 per day. Parking citations may be issued for vehicles parked in these lots before 5PM on weekdays.

Parking in all staff and student parking lots west of Fourth Street, South of Garfield and east of Tenth Street (except handicap and other restricted, reserved and no-parking zones) can be used without a parking permit.

Please do not try to get to the greenhouse on Seventh Street. It is a dead end street and will be barricaded just north of the Human Services Building.

Handicap parking will be available north of the 7th Street barricade.

The closest parking is the 9th Street Lot, S Lot and W Lot. The Stadium lot on Grant at Division is the next best large parking lot.

Campus Police have specifically requested visitors to NOT park in the staff lot on Fourth Street next to Booth Library.
