Unit Theme: Educator as a creator of effective educational environments, integrating diverse students, subjects, strategies, societies, and technologies.

Course Description: (0-3-1) Supervised clinical experiences with emphasis on curriculum and instructional aspects of early elementary and late elementary subject areas. Forty-five hours of classroom participation is required to complete this course.

Prerequisites: Concurrent enrollment in one or more of ELE 3250, 3281, 3290, 3340, or permission of the department chair. Course may be taken twice with permission of the department chair. University Teacher Education requirements apply and department requirements for enrollment must be met.

Course Purpose: ELE 4000 provides prospective teachers with authentic classroom experiences in planning and teaching social studies, science, and reading and other subject areas to children with diverse backgrounds and abilities. Participation experiences are integral to the associated methods courses of Block I. The students enrolled in this course are under the direct supervision of the university instructor and the cooperating classroom teacher. ELE 4000 is in partial fulfillment of the pre-student teaching practicum mandated by the Illinois State Teacher Certification Board.

Admission to student teaching depends upon successful completion of ELE 4000 and on the positive recommendation of the cooperating classroom teacher with whom the student participates for 45+ clinical hours.

Course Textbooks: There are no required textbooks for this course.

Supplemental Materials:

- Personal LiveText account
- Department portfolio binder and inserts
- Binder for course notebook
- Professional Development Requirements (PDR)

Teaching Model:

The Social Family Models: Building the Learning Community

- When we work together, we generate a collective energy that we call synergy. The social models of teaching are constructed to take advantage of this phenomenon by building learning communities. Essentially, “classroom management” is a matter of developing cooperative relationships in the classroom. The development of positive school cultures is a process of developing integrative and productive ways of interacting and norms that support vigorous learning activity.

The Behavioral Models

- Behavioral models concentrate on observable behavior and clearly defined tasks and methods for communicating progress to the student.

Joyce, B., Weil, M., & Calhoun, E. (2009). *Models of teaching* (8th ed.). Boston: Pearson.

Dispositions: Teacher candidates in the department of EC/ELE/MLE will exhibit professional ethical practices, effective communication, sensitivity to diversity, and the attitudes and ability to provide varied teaching practices evidenced in a supportive and encouraging atmosphere for learning.

Live Text Assessment Requirement: For those classes with Live Text or Practicum- If the portfolio or Live Text requirements are rated, by the instructor, to have been completed in less than a satisfactory manner then no more than a "D" may be earned in the class regardless of the number of points earned.

Standards:

Course requirements and demonstrated competencies are aligned with the following standards:

- Illinois Professional Teaching Standards (IPTS) <http://www.isbe.state.il.us/profprep/PDFs/ipts.pdf>
- Language Arts Standards for all Illinois Teachers (ICLAS) http://www.isbe.net/profprep/CASCDvr/pdfs/24110_corelangarts_std.pdf
- Technology Standards for all Illinois Teachers (ICTS) http://www.isbe.net/profprep/CASCDvr/pdfs/24120_coretechnology.pdf
- SPA Standards Alignment (Special Professional Association Standards) based on:
- ACEI (Association for Childhood Education International) program standards for elementary teacher preparation <http://www.acei.org/Synopsis.htm> and <http://www.acei.org/ncateindex.htm>
- NAEYC (National Association for the Education of Young Children) NAEYC http://www.naeyc.org/accreditation/next_era.asp

Outcomes specific to ELE 4000:

- Students will utilize content knowledge effectively in lesson planning.
- Students will provide an effective classroom environment to support the success of unique individual students.
- Students will design, implement, and assess instruction to achieve specific and differentiated learning outcomes.
- Students will model professional behavior, dress, and positive dispositions appropriate for the school community.
- Students will demonstrate a mastery of technology in support of teaching and learning in the classroom.
- Students will understand the community and intentionally teach as appropriate for the benefit of the community.

Optional Assignments (Attendance)	Varied according to instructor, as suggested in the list below.	10	5%
DETAILED INSTRUCTIONS FOR EACH ASSIGNMENT WILL BE PROVIDED BY THE INDIVIDUAL COURSE INSTRUCTOR			

Mandatory Completion:

- LiveText submissions (Lesson Plan and Field Experience)
- Eastern Illinois University Professional Portfolio
- Professional Development Requirements

Optional Assignments:

- Technology enhanced plans: SmartBoard, podcasting, class blogs, inter-class state, national, global communication
- Differentiated assessments and response activities with accommodations for diverse learners
- Creative contributions to the classroom: construction of a game, organization of a learning center, an interactive bulletin board

Grading Scale:

- A= 92%-100% = 248- 270
- B = 82%-91% = 221-247
- C = 72%-81% = 194 -220
- D = 62%-71% = 167 -193
- F = 61% and below = 166 and below

Attendance: Attendance is mandatory and class participation is expected and will count as part of your grade. Participation points will be deducted for each tardy or absence.

Assignments: Students are responsible for all material covered in class, all assignments on the syllabus, and all assignments made in class. Due dates will be set for all work; assignments are to be submitted on the date they are due at the beginning of class. One point shall be deducted for each calendar day that the material is late including live text submissions.

No work will be accepted after the last day of class.

Professional Behavior:

If an illness prevents you from attending class, please notify me, through email at smdyunus@eiu.edu or call at 217-512-9286 before the beginning of class about your absence and provide documentation upon your return to class. Also, ask a classmate to turn in any assignments which may be due, take notes for you, and pick up any handouts.

Students enrolled in ELE 4000 level courses are in the final stage of their professional preparation; hence, mastery of the English language including grammar, mechanics, spelling, etc. is expected. One point will be deducted for each infraction in all written work submitted for a grade.

COURSE OUTLINE

1. Planning to Teach
 - a. Standards, goals and objectives; student, teacher, state and national
 - b. Classroom environment
 - c. Management—motivation
 - d. Individual differences
2. Participation in the Practicum
 - a. Responsibility
 - b. Diversity
 - c. Professionalism and confidentiality
 - d. Planning units of instruction, differentiation, curriculum integration
 - e. Individual, small group, and cooperative learning
3. Assessment/Evaluation/Accommodation
 - a. Diagnosis, remediation, mastery
 - b. Self-evaluation
 - c. Record keeping
 - d. Goal setting

Contact Protocol

1. Contact your cooperating teacher two weeks prior practicum.
2. It is **MANDATORY** to arrange a meeting with your cooperating teacher prior to the first day of practicum, if desired by the classroom teacher. Visit the school to know the location, parking accessibility, etc.
3. Give your contact information to the teacher and ask for his/hers. Ask for the teacher's preference – email, school phone, cell phone, etc.
4. Give the teacher the necessary ELE4000 documents. (Your letter of introduction to the cooperating teacher, Letter of introduction from professor, evaluation and log sheets, your Block I assignments.) Work out all logistics regarding your placement with your teacher. If there is a problem with the site, contact your university instructor immediately.
5. You are expected to be present, on time, and prepared every day.
6. Always report to the office when you visit a school. Follow the sign-in procedure. Learn the principal's name and introduce yourself when possible. Learn the secretary's name and greet them appropriately.
7. Request school and classroom guidelines for teacher and student behavior and dress codes (e.g. no gum, no hats, quiet when in the halls).
8. Request a class list and a class schedule.
9. Make a seating chart to familiarize yourself with students' names.
10. Know the school calendar and upcoming events. During the practicum weeks, you are on the school's calendar, not EIU's calendar.
11. Become familiar with the floor plan of the building and the safety and evacuation procedures.
12. Read the school district's web site and the school's web site. You may want to print out information found at this site for inclusion in your notebook.

Advice

1. Express your wish to teach as much as possible after the initial orientation to the classroom. Schedule your teaching periods with your cooperating teacher.
2. Use **ALL** time on-site for instructional and/or professional purposes, even if the children are out of the classroom.
3. Plan ahead. **Over plan.** Plan off-site, on your own time, in advance. Save complete records and writing of your plans for the Practicum Notebook. You should have a lesson plan every time you teach. Even if you are asked to teach on the spot (an unplanned lesson) you should prepare a lesson plan of what you did **OR** what you would have done if you had had time to plan.
4. Your cooperating teacher will need to see your plans in advance. Complete plans give evidence of how you well you know the content, how you will structure the content you intend to teach, students' prior knowledge which you will build upon, specific objectives and procedures, and your research and materials preparation. Use the EC/ELE/MLE departmental lesson plan model for your lesson plans.

5. Let your **enthusiasm** and **initiative shine**. Let your **professional** attitudes be reflected in your teaching and relationships in your school.

Professional Dress

Dress professionally. The following are quotes from *How to be an effective teacher: The first days of school*, by Harry Wong and Rosemary Wong (pages 51-59):

Effective teachers know that the clothes they wear and the smile that dresses their face are the first things the students see as they are greeted at the door... The effective teacher dresses appropriately as a professional educator to model success... The important word is appropriately... One of the reasons we have schools is for students to learn what is appropriate. Young people learn what is appropriate in society by looking at their adult role models. Your dress and your behavior are what young people will take to be appropriate... It is common sense. You will be treated as you are dressed... Research reveals that the clothing worn by teachers affects the work, attitude, and discipline of students. You dress for four main effects: respect, credibility, acceptance, and authority.

Academic Integrity

The Department of EC/ELE/MLE is committed to the learning process and academic integrity as defined within the Student Conduct Code Standard I. "Eastern students observe the highest principles of academic integrity and support a campus environment conducive to scholarship." Students are expected to develop original and authentic work for assignments submitted in this course. "Conduct in subversion of academic standards, such as cheating on examinations, plagiarism, collusion, misrepresentation or falsification of data" or "submitting work previously presented in another course unless specifically permitted by the instructor" are considered violations of this standard.

Student Success Center

Students who are having difficulty achieving their academic goals are encouraged to first contact their instructor. If needing additional help, please contact the Student Success Center (www.eiu.edu/~success) for assistance with time management, test taking, note taking, avoiding procrastination, setting goals, and other skills to support academic achievement. The Student Success Center provides individualized consultations. To make an appointment, call [217-581-6696](tel:217-581-6696), or go to 9th Street Hall, Room 1302.
