

Loyalty Meeting at Teutopolis

Next Sunday April 14th, at 2:30 o'clock p. m., there will be a Flag Raising and Service Flag demonstration at Society Hall in Teutopolis. There will be prominent speakers present to deliver addresses and patriotism will run supreme. Teutopolis township has contributed a large percentage of boys who are fighting under the colors, and the people are justly proud over the matter, too. A bumper crowd is looked for. Go over and mingle with the true liberty-loving people of that community. There will be plenty of patriotic music and enthusiasm.
