MR. DONALD GILL
Principal

The few pages of this book can reflect only briefly the full and exciting days of a year of school. Only in an incomplete way can these pictures and words reflect the joys and the disappointments, the successes and shortcomings, the challenging and the demanding that are so much a part of our school. But it is hoped that the pleasant minutes spent in perusing this book will help you to recall with pleasure those incomparable days in our school. May your abundant energies be renewed and your zest for adventure in learning never be diminished.
