YEARBOOK

EASTERN ILLINOIS UNIVERSITY LABORATORY SCHOOL

1971-1972

STATEMENT FROM DR. GILL FOR YEARBOOK

The present school year has been a landmark in the rich history of the Laboratory School. We have seen re-organization of the school and the beginning of many new and exciting ways of teaching and learning. All of us are privileged to have been a part of this historic change. Without the sincere excitement and motivation of the student body in our Junior High School, our efforts would most certainly have failed.

It is my wish that the memories which this yearbook has captured for you will be as refreshing in the future as the experiences were as you lived them.
