We all need a plan for our money. Financial Peace University (FPU) is a plan that helps families and individuals get a better handle on their money and financial management. This isn't your typical "money class". This course is written and produced by Dave Ramsey, a well-known and respected financial advisor. Financial Peace University is practical, entertaining and fun!

More than 1.5 million families and individuals have taken the FPU course. The average family completing this course pays off $5,300 in debt and saves $2,700 in just 90 days. That is an $8,000 change in position! Through video teaching, class discussions and interactive small group activities, FPU presents practical steps to get from where you are to where you’ve dreamed you could be. This plan will show you how to get rid of debt, manage your money, spend and save wisely, and much more!

FPU classes will meet in Lumpkin College of Business and Applied Sciences at Eastern Illinois University from 7 – 8:30 p.m. each Wednesday for nine weeks starting March 4, 2015 (skipping the week of March 18th for spring break) in 1120 Lumpkin Hall.
