Eastern Illinois University Foundation

The Eastern Illinois University Foundation was founded in 1953 under the laws of the State of Illinois as a not-for-profit corporation. There are over 240 alumni and friends of the University who serve as members of the Foundation. The eleven-member Board of Directors is elected from the general membership. The Foundation's purpose is to assist and support the University's educational and cultural mission through encouraging philanthropic gifts of money, property, works of art, and other materials having educational, artistic, or historical value. At June 30, 2008, Foundation assets totaled more than \$60.7 million, of which \$40.6 million is endowed for scholarships and grants to the University. During the 2007-2008 year, the Foundation awarded more than \$791,000 in scholarships, and transferred \$1.2 million in grants to the University. The Neal Welcome Center, home of the Foundation, is located at 860 W. Lincoln Avenue in Charleston.

Eastern Illinois University Alumni Association

The EIU Alumni Association was established in 1905 as a means of allowing continuing involvement of graduates and former students in the development of their University. The organization has a number of broad objectives, which it has traditionally pursued. These include: sponsoring special events for alumni; assisting with homecoming, reunions, and similar activities; facilitating communication between alumni and the University; assistance in maintaining alumni records; and helping with fundraising and other initiatives which contribute to the welfare of the University.

Eastern Illinois University Parents Club

First formed in the fall of 1974, the Parents Club is an established and energetic organization at Eastern Illinois University. The purpose of the Parents Club is to act as a communication link between the University's administration and parents. Members help to increase the personal ties between the University and the parents by voicing their opinions on policy matters and other issues through the Parents Club board of directors. The Parents Club also selects worthwhile projects to benefit the students, their parents, and the University. Monies collected through membership fees help fund the various projects. All parents and families are invited to join this worthy organization.

In 1985 the Parents Club established a scholarship program available to all Eastern undergraduates. That year, the club awarded one \$500 scholarship. The number of scholarships (20) and the amount of each award (\$850) have increased over the years. The club has now awarded over \$274,300 to 331 students.

Eastern Illinois University Annuitant Association

The Eastern Illinois University Annuitant Association (EIUAA), established in 1971, is composed of current and retired EIU employees and their spouses. The organization's goal is to collectively protect, enhance, and advance the goals and common interests of present and future EIU annuitants. EIUAA provides the opportunity to maintain professional and social relationships with fellow EIU employees. Through our newsletter, New Horizons, and website (<http://www.eiu.edu/~annuitants/>), we keep our members informed of Annuitant Association meetings, social activities, and important relevant legislative and governmental issues, especially those related to pension and healthcare and Eastern's state funding. The EIUAA provides services for campus activities such as commencement ceremonies, homecoming, open houses and scholarship.
