**BFA in ART: ART WITH TEACHER CERTIFICATION  
Using Integrated Secondary Education Program (ISEP)**

**Footnotes:**

+Requires grade of “C” or better

<sup>1</sup>Requires University Approval to Take Teacher Education Courses

<sup>2</sup>Teacher Certification candidates are required to take a 3 semester hour diversity course or third world/non-western culture course. Students need to confer with an academic advisor regarding which designated general education courses fulfill the requirement.

<sup>3</sup>GRADUATION REQUIREMENT FOR FOREIGN LANGUAGE (0-8 HOURS)  
The graduation requirement is successful completion of two courses in a single foreign language. Exemption: Students entering university FALL 93 and after must have completed two (2) years in a single Foreign Language in High School with a grade of “C” or better to have satisfied this requirement. Students exempt from Foreign Language would have 8 semester hours of free electives to complete for degree requirements.

<sup>4</sup>The nine semester hours of art electives in a selected art medium should be taken from coursework in ceramics, drawing and painting, graphic design/electronic media, metalsmithing, printmaking, sculpture, or weaving.

<sup>5</sup> For students in the Art Education Option, the University Approval to Take Teacher Education Courses should occur no later than the first semester of the Junior year or the semester completing ART 2400. This will allow students taking the Integrated Secondary Education Program (ISEP) to enroll in SED 3100 the second semester of the Junior year and ART 3410/3415 the first semester of the Senior year. Art Department strongly recommends students apply for admission in ISEP and use for completing professional education requirements.

<sup>6</sup>Students may **enroll** in any undergraduate professional education course that includes a field experience or practicum **no more than twice**.
