**FOOTNOTES EXPLAINED ON NEXT PAGE**

Students must complete all the professional coursework under either the Regular Secondary Education Program or the Integrated Secondary Education Program (ISEP).

(R) Required for Regular Secondary Education Program

(A) Required for Integrated Secondary Education Program

---

+Requires grade of “C” or better

<sup>1</sup>Requires University Approval to Take Teacher Education Courses

<sup>2</sup>Teacher Certification candidates are required to take a 3 sem. hr. diversity course or third world/non-western culture course. Students need to confer with an academic advisor regarding which designated general education courses fulfill the requirement.

<sup>3</sup>GRADUATION REQUIREMENT FOR FOREIGN LANGUAGE (0-8 HOURS)

The graduation requirement is successful completion of two courses in a single foreign language. Exemption: Students entering university FALL 93 and after must have completed two (2) years in a single Foreign Language in High School with a grade of “C” or better to have satisfied this requirement. Students exempt from Foreign Language would have 8 semester hours of free electives to complete for degree requirements.

<sup>4</sup>The nine semester hours of art electives in a selected art medium should be taken from coursework in ceramics, drawing and painting, graphic design/electronic media, metalsmithing, printmaking, sculpture, or weaving.

<sup>5</sup>For students in the Art Education Option, the University Approval to Take Teacher Education Courses should occur at the end of the sophomore year. This will allow students planning to take the Regular Secondary Education Program (R) to take EDP 3331 and SED 3330 or SED 3000 the first semester and ART 3410/3415 the second semester of the Junior year. The other option for completing the professional education coursework is to enroll in the Integrated Secondary Education Program (ISEP); the Art Department recommends students to consider this option.
