

**Student Learning Assessment Program
Response to Summary Form
Undergraduate Programs 2005**

Department: School of Business, Finance

Category	Level*	Comments
Learning Objectives	Level 3, B.S.B. Finance	Objectives are clear, measurable, and programmatic. There is a nice blend of departmental goals with General Education goals here.
How, Where, and When Assessed	Level 1-2, B.S.B. Finance	Since little has been accomplished this year, as noted in Part Three, I will refer the faculty to last year's response. I have every confidence that the undergraduate coordinator's knowledge of assessment will be helpful to the finance faculty as they work on their plan. Let me know how I can help.
Expectations	Level 1, B.S.B. Finance	See previous year's response.
Results	Level 1, B.S.B. Finance	See previous year's response.
How Results Will be Used	Level 1, B.S.B. Finance	See previous year's response.

* Levels should not be interpreted as grades or scores; they are stages of implementation based on patterns of characteristics described by North Central Association. These levels are approximations based on the information provided in the summaries. Please refer to the checklist for the Primary Traits listed for each level on the assessment web site at www.eiu.edu/~assess.
