

III. . . FINANCIAL AID

FINANCIAL AID

Return of Title IV Funds

Federal regulations govern the return of Title IV funds disbursed for a student who completely withdraws from a semester. This rule assumes that a student earns his or her aid based on the period of time he or she remained enrolled. During the first 60 percent of the semester, a student "earns" Title IV funds in direct proportion to the length of time he or she remains enrolled. The percentage of time during the semester that the student remained enrolled is the percentage of disburseable aid for that period that the student earned. A student who remains enrolled beyond the 60 percent point earns all aid for the semester.

A copy of the policy may be obtained from the Office of Financial Aid or from our website at <http://www.eiu.edu/~finaid/famenu.htm>.

The Office of Financial Aid will return unearned aid to the federal government. The student is then responsible for returning the unearned aid he or she has received to the university.

Satisfactory Progress Requirements

In accordance with U.S. Department of Education regulations, Eastern Illinois University is required to establish satisfactory standards for federal and state financial aid recipients. The minimum and maximum standards to receive financial aid are monitored at the end of every semester. There are two minimum standards that must be monitored, cumulative grade point average (CGPA) and completion rate (cumulative completed/attempted hours). The maximum standard is 180 cumulative attempted hours.

Undergraduate recipients with 60 or more attempted hours or who have attended four or more semesters are required to have a 2.0 GPA. Failure to maintain a 2.0 GPA results in immediate suspension of financial aid eligibility.

Undergraduate recipients with 59 or fewer attempted credit hours are required to meet a 60% minimum completion rate. Undergraduate recipients with 60 or more attempted credit hours are required to meet a 70% minimum completion rate. If a student is not making progress under the minimum standards (with the exception of a student who must maintain a cumulative 2.0), he/she will be placed on Financial Aid Probation and allowed the following semester of enrollment to achieve the minimum standards. At the end of the probation period, if the student has not achieved satisfactory progress, financial aid suspension occurs.

If a financial aid recipient loses his or her eligibility due to suspension, an appeal may be filed through the Vice President for Student Affairs Office. The complete policy for Satisfactory Academic Progress to receive Financial Aid and/or an appeal form may be obtained upon request from the Office of Financial Aid or at our website <http://www.eiu.edu/~finaid/famenu.htm>.
