

COS Visiting Scholars Award Application

The COS Visiting Scholars Award fund is available to assist departments or organizations with the expenses associated with bringing scholars to campus or with the expenses associated with having professional/scientific meetings or conferences at EIU. These awards are competitive.

The amount of the award may be less than requested in order to accommodate as many of the high quality requests as possible.

The COS Visiting Scholars applications are available on the COS website. Please turn in your completed applications to your department chairs office. All applications must be completed on this form and typewritten.
