

EIU CIVIL SERVICE COUNCIL

Who We Are:

The Civil Service Council (for non-negotiated employees) is the governing body elected by the non-negotiated Civil Service Employees' Organization with the responsibility of recommending actions and presenting problem areas for consideration in accordance with the interests and needs of the non-academic civil service

Why:

To provide advisory counsel to EIU Administration regarding the general interest and welfare of the membership with direct communication with the University President and Vice President of Business Affairs.

To review personnel and grievance matters for the membership and recommend action to the University.

To provide a channel for serving in an advisory capacity to the EIU representative of the University Civil Service Advisory Committee, a state mandated advisory committee to the University Civil Service Merit Board on classification and rule changes or other matters submitted for review.

To provide representation on committees established by EIU which have a direct relationship to the interests and welfare of the membership.

To plan and organize social and recreational activities for the membership.
