 - C. Angie Campbell received an email from a concerned employee regarding the fact that UPD was only offering a fall parking pass instead of the normal yearly pass due to the uncertainty of the layoffs. E. VPBA Update

- a. Layoff plans are almost finalized. President Glassman is reviewing recommendations of the vice presidents. Hoping to release information to campus next week and notify those affected. Civil Service rules will be followed. Human Resources and direct supervisor will notify employees.
- b. Still considering the early retirement possibilities. If one is offered, it will be offered to all employees.
- c. Cay Kolling – How many of the 29 UPI annually contracts are returning?
Paul McCann – so far 22 of the 29 have notified us that they plan to return. Could be a few more due to extenuating circumstances.
- d. Angie Campbell – Many comments/concerns were made over the fact that the faculty 1.5% raise was \$1.1 million and to give the staff a 1% raise was only going to cost \$60,000. And staff have been denied a raise three years in a row.
Paul McCann - no comment other than we are struggling.
- e. Enrollment – was hoping it would remain flat but looks like it could be down 2% for the freshman class. Overall enrollment will be down – as much as 5% - due to large graduating class and smaller incoming freshman class.
- f. Budget – lots of talk and no action with the state. Tuition dollars will help carry us until budget finalized.
- g. Laura Smith – How many employees will be affected by the layoffs?
Paul McCann – a significant amount – between 0 and 200 best estimate.
- h. Angie Campbell – Rumor was that the employees being laid off would be notified by certified mail. Is this true?
Paul McCann – No. All employees affected will be notified in person by their direct supervisor and HR.
