# Disability Awareness Day

## Transitions

*For parents, teachers, special education instructors, counselors, future teachers, and anyone interested in learning more about and discussing challenges associated with students transitioning into college or simply into the real world.*

**Friday, November 6, 2009  
8:00 a.m.—3:30 p.m.**

Lake Land College  
Webb Hall Room 081

## Seminar Information

Disability Awareness Day begins at 8:00 a.m. and will provide an opportunity for parents, professionals and others to network and gain new insight into transition issues for individuals with disabilities. Current technology resources will be shared and demonstrated by Infinitec, Illinois Assistive Technology, and Recording for the Blind and Dyslexic. Other topics will include a general overview of transition, using Career and Technical Education assessments in transition planning, and presenting transition plans in a student-led IEP. The day will end at 3:30 p.m. Subway lunch will be provided.
