INSTRUCTIONS FOR THE REVERSE SIDE OF THIS SHEET

1. A cultural diversity course from General Education must be included in humanities, social sciences or area of concentration.
2. The senior seminar must be taken outside the field of Education.
3. Program requires work in both the Biological and Physical Sciences.
4. Placement based on student's ACT Math score. Students with ACT scores of 1-16 will take MAT 1020 and MAT 1420 concurrently. Students with scores of 17 and up will enroll directly in MAT 1420.
5. Skills courses are not acceptable. Suggested Art courses are ART 2330G, 2310G, 3340G, 3610G. Suggested Music courses are 2555G, 3550G, 3553G and 3562G. Suggested Theater Arts courses are THA 2010G, 2012G, 2140G, and 3755G.
6. Students must have completed two years in a single foreign language in high school or complete the second course at the college level to satisfy this Graduation Requirement.
7. Departmental Approval to Student Teach is required by Midterm of the semester preceding the student teaching semester. Check with Department for exact due date each semester.

Every student planning to student teach must attend a meeting during the **Fall semester preceding the academic year in which the student plans to student teach** to formally apply for student teaching. Failure to attend a meeting to apply to student teach or failure to complete the application materials by the deadline will result in a minimum of one-year delay in student teaching. Additional information is available in the University catalog.

Students are required to devote an entire semester to student teaching. Students must enroll for the maximum student teaching hours (16). They may not sign up for any courses other than student teaching.

The Early Childhood program leading to an Early Childhood / Special Education certificate requires eight (8) weeks in an Early Childhood Special Education preschool setting, and eight (8) weeks in a primary (first, second or third grade) classroom.

Sample 4-year Plan:

Other plans are possible and the student should consult with his/her advisor to develop the study plan best suited to his/her needs and interests.
