**Subject:** Proposal to Modify the EIU Foreign Language Graduation Requirement.

Dr. Roszkowski,

The 08-35 Proposal to Modify the EIU Foreign Language Graduation Requirement would have a negative impact on EIU/ SCE off campus adults students. .Many of these Adult Students have been out of high school for many years and the foreign language courses to support this initiative are not easily found off campus.. In addition most of the 4 year HE Institutions that are in competition with EIU/SCE Off campus Programs do not have this requirement.. Hence, it would put EIU/SCE at a major competitive disadvantage and the SCE is opposed to this change..

We need to mindful that today 43 % of Higher Education Students are over the age 26..

Thank –you for the chance to express my opinion on this issue and I would appreciate it if you would share it with the CAA.

If you need any additional information from me I would be pleased to discuss this issue with you at your schedule..
