RE: Foreign Language Requirement

Dear Dr. Roszkowski:

After conferring with Provost Lord, I have decided to return the proposed changes in the foreign language requirement to the Council on Academic Affairs for further discussion and consideration. As our chief academic officer responsible for all academic matters, Provost Lord will work with you on the issues which we believe need further clarification regarding a change of this significance for the University.

Sincerely,

A handwritten signature in black ink that reads "William L. Perry".
