NOTES

* Only offered in semester listed

UNDERGRADUATE DEGREE NOTES:

Transfer students are reminded that they will need 56 hours earned at a senior institution (4-year school) and 42 hours earned in residence at EIU to complete their BA.

Minimum hours for graduation: 120

^ Undergraduates **must** have 40 hours of coursework numbered 3000 and above.

Minimum of **six (6)** semester hours of CHM electives required. The following may not be used as electives: CHM 1040G, 2040G, 3200,

A maximum of three (3) semester hours of CHM 4400 may be used to satisfy this requirement.

For the MS degree, CHM electives must include CHM3780 and two semester hours of CHM4400.

For the MS degree, CHM 3450 and CHM 3910 are required and CHM 3920 is recommended.

\$ Students who have completed college-level algebra-based physics courses (*e.g.* PHY 1151G, 1152G, 1161, 1162) should consult the Chemistry Department Chair.

GRADUATE DEGREE NOTES:

Limit of 9 hours Thesis (5950) and Research (5890)

Graduate must have 30 hours total and 20 hours at the 5000 level

With advanced permission, nine hours of courses numbered 4750 through 5499 can be carried over from senior year to be counted for graduate credit.
