

ASSISTANT PROFESSOR, BIOCHEMISTRY

The Department of Chemistry at Eastern Illinois University invites applications for a tenure track position in biochemistry, beginning August 2010. All areas of biochemistry will be considered. A PhD in biochemistry or related area is required, postdoctoral or equivalent industrial experience preferred. Potential for excellence in teaching and for establishing a vigorous, externally funded research program involving undergraduate and graduate (MS) students is required. Submit letter of application, CV, research plans, statement of teaching philosophy, undergraduate and graduate transcripts, and arrange to have three letters of reference sent to: Dr. Gopal Periyannan, Department of Chemistry, Eastern Illinois University, 600 Lincoln Ave, Charleston, IL 61920; (217) 581-6379; fax: (217) 581-6613; electronic submissions to grperiyannan@eiu.edu. For more information, visit <http://www.eiu.edu/~eiuchem>. Application review begins 10/1/2009 and will continue until the position is filled. Women and minority candidates are encouraged to apply. Eastern Illinois University is an equal opportunity/affirmative action employer (EO/EA/AA).
