ITEM TO CHANGE:

Title:

Catalog Page:

   \* Major

**Physical Education w/Athletic Training Option and  
Teacher Certification Option [6-12 Standard High  
School Certificate]**

**124**

   \* Option

Reason for Request: This request is to drop the double option.

The changes to program requirements are mandated by the JRC-AT Commission (accrediting body). Because of the increase in course requirements, the double option is no longer feasible. If a student wants to pursue teacher certification he or she may do so as a post-baccalaureate student.
