## 2023-2024 NUMBER IN COLLEGE FORM FOR DEPENDENT STUDENT

How many people in your parent's household will be college students between July 1, 2023 and June 30, 2024?

- Always count yourself as a college student. Do not include your parents. You may include other dependents of your parents only if they will be enrolled at least half-time in 2023-2024 in a program that leads to a college degree or certificate.
- Note: We may require additional documentation if we have reason to believe that the information regarding the household members enrolled in eligible postsecondary educational institutions is inaccurate.
