

ARE YOU LOSING YOUR HEALTH INSURANCE COVERAGE AT GRADUATION? Family health plans typically terminate dependent coverage upon graduation. If you are covered under the EIU Student Health Insurance Plan for Spring 2009 semester, you are eligible to purchase an “extension of coverage”. Spring semester coverage ends at midnight June 13, and for \$87.45 you can extend your coverage until midnight August 19, 2009.

If you previously waived the Student Health Insurance fee and now will be dropped from your parents’ plan due to graduation, you can reinstate your coverage for the remainder of the current spring semester by paying \$109.95. By reinstating Spring 2009 semester coverage, you will become eligible to purchase the “extension of coverage”.

For complete information contact the Student Health Insurance office at 581-5290.
