

Approved Locations for New Hand Sanitizer Dispensers

New Hand Sanitizer Dispensers to be Installed

Additional hand sanitizer dispensers have been ordered for pre-determined locations in campus buildings. New dispensers are currently on backorder. We anticipate delivery before the end of November. The list of building locations has been posted to the H1N1 Influenza webpage found at the Health Service website, http://www.eiu.edu/~health/info_swineflu.php. Requests, including rationale, for additional dispenser locations should be made through the appropriate dean or director. Approved requests should be submitted to Central Stores for review and final approval by the H1N1 Influenza Incident Management Team. Approved inventoried hand sanitizer dispensers will be filled and maintained by Facilities' Building Service Workers (BSWs).

Additionally, pole mounted hand sanitizer dispensers may be requested and delivered through Central Stores for single events and other campus gatherings, if hosted in a location without dispensers. Contact Patty Murphy (581-5921) or Travis Magee at (581-7577) to make arrangements.

Each Entrance to the Following Buildings

Old Main – 5, (includes 1 for cashier's door entrance)
Blair – 3
Student Services Building - 3
McAfee - 4
Physical Science – 6
Coleman – 6
