A. Welcome and Introductions

B. Old Business

- Bill 2202- Smoke-free Campus Act
 - Amanda discussed the current status of Bill 2202- Smoke-free Campus Act. At this point, both houses have signed and the bill was sent to the Governor on June 23. According to the bill, the university must have a group in place by December 31, 2014. Discussion with other departments on campus and Vice Presidents will soon take place to see what that group may look like. Amanda will update the Tobacco Coalition members once we know.
 - The HERC is currently pulling together implementation plans from other universities to be prepared.
 - As updates come in, Amanda will inform the coalition.
- Tobacco Cessation
 - Amanda discussed the Tobacco Cessation services to students that are currently in place. At this time, Amanda and Eric are researching possibilities and plan to submit to the state to become a source for these services available to faculty and staff. Dr. Baker discussed looking into current providers in the area that offer these services to faculty and staff.
 - Lee Ann Bryant informed the group that Quitline now provides 2 weeks of free nicotine replacement, and then are hopeful that individuals will purchase their own. They continue to have the phone service.

B. New Business

- AlcoholEdu & Haven will go live for students on August 1st, both modules must be completed by August 25th to avoid a hold on their account.
- The Annual Health Fair will take place on November 19th from 10 – 3. The HERC/Health Service has partnered with University Housing & Dining this year! The event will be held in the University Union. For registration visit, <http://www.eiu.edu/herc/healthfair.php>.
