Please Note, in Regard to the University Honors Class List for Fall 2017:

- Instructors and meeting times may change. To confirm scheduling information, consult the Fall 2017 online University Class Schedule. Beginning 2/17/17, the University Honors Class List will be made available online, under the "Academics" tab, in the left-hand sidebar, at <http://www.eiu.edu/honors>**
- TBA* indicates that as of the last updating of this list a faculty member had not yet been assigned this course, but the department was still engaged in finalizing faculty assignments. If you are highly interested in this course, yet have a second-choice course you could take on the same days and at the same times, tentatively register for the second-choice course. You can always monitor the status of the *TBA* and change your registration at a later date, should a faculty member ultimately be assigned to your preferred course.**
- The following Fall 2017 Honors courses are designated as Writing Intensive. Writing samples from these classes can be used to satisfy the Electronic Writing Portfolio for students following the Fall 2008 or later catalog:***
