

floor lounge Andrews/Lawson Hall

room layouts
www.eiu.edu/~housing

All rooms feature 8' ceilings. *Layouts not to scale.*
Desk & dresser are immovable.

*Use of the Internet (ethernet) ports allows 24 hour access to the Internet with out the use of a modem. An ethernet adapter card and a category 6 cable are required. Ethernet cards can be purchased for \$20 - \$65 at many electronic stores or discount retailers like Wal-Mart. The category 6 cable may be purchased at many of the residence hall front desks. Those who purchase a category 6 cable from the residence hall front desks, or can show proof of ownership of a category 6 cable, may receive on-site, Internet (ethernet) port related assistance.

**Bolsters allow beds to be used as couches by simply sliding them underneath the bolsters. Each bolster contains two padded doors that lift up to reveal additional storage space.
