

Hi, my name is Katherine Johnson and I am your RA for the 2011-2012 school year. I am very excited for the school year and cannot wait for it to come, but I am enjoying summer while I can. I hope all of you are having a great summer and doing everything that you want to do. I am a first year RA, and very excited to learn and grow with our learning community. I am from Lockport right near Joliet in Illinois. For those that are not from around the Chicago area, I am from the Chicago area. I like to read and watch a couple TV shows, such as Glee, the Voice, and Biggest Loser. In the future, I plan on traveling as much as I can and doing something I enjoy doing, maybe with psychology.

As a RA I will be there for you the resident of Pemberton Hall to overcome obstacles, and if needed a person just to listen to you in a time of need. I am here for all residents to answer any questions that may come up during the year. It is also very important to make floor not just a place where you live, but where you can feel comfortable to be yourself. Make Pemberton your home away from home. I am here to help assist in making our floor into a community that everyone can enjoy. I believe that academics are just as important as your social life, so I am here to help you set your academic and social goals and push you to success.

As I have stated earlier, I am very excited for this coming school year and all that we will do together. If you have any questions do not hesitate to email me at kmjohnson2@eiu.edu. I cannot wait to meet all of you and begin our year together. Have a great summer and I will see you all in August. Do not let life pass you by, move with life and live life to the fullest.

Katherine Johnson
