

Hey 3rd floor!

Welcome to Eastern Illinois University! My name is Elleshya Curry and I am your resident assistant (RA) for the upcoming 2011-2012 school year. I hope that your summer has been filled with excitement and unforgettable memories. Now is the time to create some new memories- EIU memories- with me and your future 3rd floor family! ☺ YAY!

I want to tell you a little bit about me. I am 20 years old and a junior here at EIU. I am from O'Fallon, IL, which is 20 minutes east of Saint Louis, MO. My area of study is chemistry with a concentration in biochemistry. During the summer I work at Chuck E. Cheese as a cashier. I have worked there since my junior year in high school- I love being around kids.

I am excited that you will be a resident of the Andrews Hall residential community. Andrews is an all-female community. Our 3rd floor learning community has two washers, two dryers, and a kitchenette. We are privileged to have remodeled rooms with new stackable furniture. For those of you who have not contacted your potential roommate, this would be a great time to do so. The more communication between you and your roommate before August, the smoother the transition will be. Every girl is unique and we will all be learning and growing from the various backgrounds, personalities and characteristics that each of you will bring to EIU.

Feel free to contact me at edcurry@eiu.edu. I am looking forward to meeting all of you and to having a fun, memorable, and academically productive year! Remember, the most important thing you can bring to EIU is a beautiful SMILE and a POSITIVE ATTITUDE!

See you in August!
