

Hey 4 South Resident!

You're on your way to college soon! Get excited! College is an awesome experience that is unique and different for everyone. Carman is an excellent choice because there are a TON of things you can become involved in. From numerous student organizations to hall council, you will have excellent chances to meet a lot of people. I am going to make sure to educate you on what you can do and why you should take on these opportunities.

Next year, I will be your Resident Assistant or RA for short. Basically, I will be the go to guy for any questions you may have. From simple questions like where do I eat? I'm bored what can I do now? I will make sure to make this year an enjoyable one! By the way, I'm Chris Powell and I am from Washington, IL, a town outside of Peoria. I am a senior majoring in accounting with a minor in pre-law. I like to stay busy, but in my free time I like basketball and just hanging out.

A big part of my job next year is helping you make the adjustment to college life. Moving here for the first time is a unique experience, and I am very excited to guide you through it. My goal is to make our learning community run smoothly and help you guys set goals that will lead you to be successful here at Eastern, as well as after graduation. You are already on the right track by making the move here and I intend to make living here a home away from home.

There is only so much I can say in a letter, so feel free to contact me through email or Facebook. I am really looking forward to next year and getting to know you. Until then, enjoy the rest of your summer and be ready for move in day on AUGUST 18th! You can get here as early as 9:00 A.M! It is also a really good idea to look up your roommate, two TV's are useless ☺

See You Soon,

Chris Powell
