

Hey! Congratulations on getting chosen for 4-North. My name is Johnny Kraps (pronounced just like you'd think) and I'm looking forward to having you join our hall community this fall. If you have any questions or concerns my email is jmkraps@eiu.edu. To let you know a little about me, I am a returning student after working for a few years with youth development. I grew up in San Jose, California. I am majoring in Public Relations. Thomas hall has always been a pretty good residence hall to be in as I was a resident last year on 4-south. I've found that on the floor everyone brings something to the community. I look forward to seeing how you will fit into our group. I hope you enjoy the rest of your summer and are excited about starting a brand new semester. College is something that very few people around the world get a chance to go to, and I hope you make the most out of your time here. Lastly, if you want to know more about the student organizations on campus I can help. The one thing I've learned about EIU is that your experience really depends on how much you put into it. See you in the fall.
