

Hi, Ladies!

Welcome to Andrews Hall! You are now officially an Andrews Angel! My name is Aisha Achesah and I will be your Resident Assistant for this year on the fifth floor.

Andrews Hall is an all girls hall. It has nine floors total with laundry facilities on each floor and NEW this year wireless internet connection in the rooms. Some of the floors in Andrews have new stackable furniture, but as for our floor, half is new furniture and the other half is old furniture. I believe that you all will enjoy yourselves here in Andrews, and make many new lifelong friends.

I am from Bloomington, Illinois and I graduated from Normal Community High School home of the Ironmen class of 2010. I am a sophomore here at Eastern and I am majoring in Health Administration. Some of my hobbies include reading, shopping, walking and hanging out with friends and family. As your RA (resident assistant) I am here as a guide for any questions you may have, and I am here as a friend.

As it gets closer to move in day and the beginning of the school year, I strongly suggest that you try and contact your roommate or roommates to see who will be bringing what, that way you won't end up with two TV's or refrigerators. It is also a good idea to contact each other to get to know each other's likes or dislikes. In addition, to all of that it would be awesome if possible you could meet up with your roommate over the summer!

As a current college student, I definitely recommend to try to get involved with all the amazing clubs, groups, and organizations that Eastern has to offer. There is something for everyone!

Last but not least, I cannot WAIT to meet all of you! I'm soo excited about this upcoming school year. I have many fun plans for us! Our theme this year is "Diamonds are pretty and so are pearls, but nothing compares to the Andrews girls". Along with that our floor will be the diamonds!! If you have, any questions or concerns please feel free to email me akachesah@eiu.edu.

Thanks! Can't wait to see you all soon!

Aisha Achesah.
