

WELCOME TO ANDREWS HALL

Hello Ya'll, my name is Randi Rice and I am here to welcome you to a grand residence hall and a fantastic new year!! Welcome to all of the new comers whether it is your first year at EIU or your first year in Andrews Hall. As well WELCOME BACK to those who are returning to this grand residence hall.

My home town is Fisher, IL and I graduated high school in 2007. This will be my 5th year or "super" senior year at EIU. My major is Management Information Systems with minors in accounting, pre-law, and psychology. This is also my 4th year as a Resident Assistant. Last year I spent at Mississippi State University on an exchange, so I truly can't wait to get back to EIU and welcome all of you to a fantastic school and place to live.

As an RA (Resident Assistant) I am here to be your resource to you as you see fit. If you need some assistance in a class I will try to find a tutor for you or maybe a study buddy within the residence hall. As well I will be putting up information for you to look at, programs for you to attend and get to know people, or an education experience. Also I will be a mediator and friend or, possibly, a lunch buddy. If at any time you need something please don't hesitate to ask; I am here for you!

Before coming to EIU I highly recommend that you try to at least contact your roommate or even try to meet her beforehand. This is important to figure out who is bringing what when it comes to a refrigerator or even the television.

Before I bid you good day I would once again like to welcome you to Andrews Hall and encourage you to look at the organizations that are offered on campus if you are a new student or possibly a returner that has not gotten involved on campus yet. Also, if you have any questions or concerns, please feel free to email me at rjrice@eiu.edu. I will try to return emails as soon as I receive them.

Have a wonderful summer,
Randi Rice
