

Dear Member of Weller Hall Community 1W,

Welcome to 1 West! My name is Allen Spargur and I am very excited to be your RA this year in Weller Hall. I am a Career and Technical Education major and my career goal is to teach middle school Industrial Arts classes. This is going to be my second year as a staff member of Weller Hall. My hometown is Belleville, Illinois, which is located about 20 miles Southeast of St. Louis, Missouri. I am a big sports fan and enjoy watching St. Louis Cardinal Baseball games, Texas Longhorn sporting events, and almost all forms of Motorsports. I am also an avid Mopar muscle car enthusiast and love anything to do with cars.

My job as your RA will be to answer your questions, address your concerns, help you set and reach personal and academic goals, and to help facilitate a great experience for you here at Eastern. I take great pride in my role as a RA, and I will always be there for you with any of your needs as a resident of our community.

One of my goals this year is to work towards building a community-minded atmosphere on our floor that we can all be proud of. 1W will be our home away from home during the school year. Together we can make Weller Hall a fun place to live but at the same time create an environment that lets us make the most of our time while working towards our individual academic goals.

I hope you are having a great summer vacation. I would like remind you that our move-in-date is **Thursday, August 18th**. You will be able to check in anytime **after 9:00 a.m.** Again, I am very excited about being your RA and I am looking forward to meeting you. If you have any questions about me or about being a "Weller Dweller", feel free to email me at aespargur@eiu.edu. I will see you soon!

Have a great summer,

Allen
