

Welcome to Lincoln Hall!

I would like to first welcome you again to Lincoln. My name is Hayley Stoneking and I will be your Resident Assistant for this 2011–2012 school year. I am very excited to meet you and am looking forward to this upcoming year.

I am a Senior and majoring in Psychology with minors in Sociology and Criminology. I am from Warsaw, IL a small town in western Illinois. I love being outdoors and always do my best to support EIU in any event. I also love baking, cooking, doing crafts, and traveling. Over the summer I went on a study abroad trip to Europe. I am excited to use the knowledge I gained while I was abroad for this upcoming year.

My goal is to have a strong and close community. If you have any questions, concerns, or would just like to talk, my door is always open. If I'm not there just leave a message and I'll come to you ☺. I may not always be able to answer your question, but I will do everything I can to find the answers. I hope many friendships can be made within the community and always remember I'm here for you! Every community should be fun, comfortable, and involved. As an RA my goal is to enhance your stay in Lincoln and help create your home away from home. Let's make this year enjoyable and memorable!

Please feel free to contact me if you have *any* questions or would just like to get to know me. You can find and add me on Facebook or email me at hbstoneking@eiu.edu. I would love hearing from you. I hope you enjoy the rest of your summer! See you on move in day!

Sincerely,

Hayley Stoneking
