

Hello 4th floor residents!

I am Colleen Nelson and I am a senior Special Education and Elementary Education major. I am from Mt. Prospect, IL which is a Northern Suburb of Chicago. I will be your RA this year! This is my second year as an RA and I am so excited to be an RA again. I have learned so much by being an RA last year and I love having a year of experience already. I hope you are looking forward to living in Stevenson Hall. Stevenson is one of our unique halls because it is an upperclassman hall where residents have to be a junior or be 21. I love living in Stevenson and I hope you love Stevenson hall too!

As an RA I will be here to answer any questions about Eastern and about Stevenson Hall. I will also build community on the floor with programs and activities for you to participate in. We are going to have a great year together! We have some new residents on the floor this year and we also have returning residents from last year. With 30 residents on one floor, I know we will build a lot of community and have some great times together as a floor. I will plan programs and events that we can go to together. I can't wait to meet you and I hope you are excited for a great year on a great floor!

If you want to get in contact with me before school starts please feel free to friend me on Facebook or email me at cmnelson2@eiu.edu. Please feel free to email or Facebook me with any questions or concerns you may have. Have a great summer and move in starts on Thursday, August 18th at 9:00 a.m. I will see you soon and get ready for a great year and a great floor!
