

Hello Lawson Ladies,

Welcome to Lawson Hall! I hope that you are all enjoying your summer thus far. My name is Meghan Briscoe and I will be your Resident Assistant (RA) for the upcoming 2011-2012 school year. I can't wait to help you transition into your life as a college student or fall in love with the 4th Learning Community. This is my first year being a RA and I'm excited to see what this year has in store for us! I've already planned some great activities we can all do together.

Since I'm so excited to meet all of you, it may be helpful if you know a thing or two about me. As you now know, my name is Meghan, but I prefer to go by Meg and you can also feel free to call me Briscoe, if you like. I'm a fan of nicknames. I'm a sophomore Elementary Education major with a concentration in Language Arts. I grew up in Fairbury, IL, a small town 45 minutes away from Bloomington-Normal. I've been involved in musicals ever since high school, so don't be surprised if you hear me belting out a song every once in a while.

It's my goal to be available to answer any questions that you may have. I'd love to help you with anything from informing you about campus events to helping you find your classes. My door will be open as much as possible so feel free to stop by to chat, hang out, or ask questions. I will also be there if you need help setting personal goals. I'm looking forward to assisting you in building fabulous relationships with the wonderful ladies on our LC as well as our other Lawson ladies.

It's a great idea to contact your assigned roommate before move-in day! No one wants to be cramped in a room with two fridges, two microwaves, and two TVs, so sort out who's bringing what over the summer.

I hope you're getting excited to come to Eastern in the fall! If you have any questions or just want to get to know me more before school, please e-mail me at mebriscoe@eiu.edu or find me on Facebook. Don't forget that **move-in day is August 18th at 9:00 a.m.** I can't wait to get to know you!

Meghan Briscoe, Resident Assistant, Lawson Hall
