

Hello Lincoln Ladies,

My name is Lindsey Sturm and I will be your RA in Lincoln Hall for the 2011-2012 school year. I am from Normal, IL and went to Normal Community West High School. I grew up playing volleyball and was on a summer swim team. When entering high school, I had to choose which sport I wanted to continue because they are in the same season. I chose volleyball ☺. I love doing crafts and attending sporting events. I was on the Eastern Illinois Women's Volleyball team my freshman year. I decided during my journey as a Panther, I wanted to be on campus more and make an impact on other students' time at Eastern. The choice to become an RA seemed like a great opportunity. During the spring semester, I became an RHA representative for Lincoln Hall and volunteered for events that were taking place on campus. This will be my first year as an RA. I will be a sophomore this year and my major is Elementary Education.

Now that you know a little bit about me, I want to tell you about my goals as an RA. I would like to start with creating programs that connect the interests of the residents on our floor. I believe we can work together to build a strong community of friends. I want to be a resource, mentor, and friend so please come to me with any questions or concerns you may have. As your RA, I will be there to answer questions you may have and if I do not know the answer, I will find it out for you.

Before school starts, if you have not already done this, you should contact your roommate. I suggest you do this as soon as possible, the more you know about each other, the easier the transition will be. Lincoln Hall is one of the three resident halls in our complex. We have four floors and a kitchenette on each floor. You will have a key that allows you access into Lincoln and a key for your room. There is no elevator (which is a bummer on move-in day), but makes for a great exercise! Douglas Hall is identical to Lincoln Hall, but only has males. Stevenson is the tallest point in Coles County and contains suites for upperclassmen.

If you wish to contact me before your arrival, please do so! I would love to answer any questions and get to know you before you're here. My e-mail is lrsturm@eiu.edu. I am on Facebook as well. I look forward to meeting you. Our move-in day is Thursday, August 18th. Enjoy the rest of summer and I will see you soon!

Sincerely,
Lindsey Sturm
