

Dear Future Weller Residents:

HELLO!!!

My name is Janae Bonner and I will be your Resident Assistant in Weller for the 2011-2012 school year! I am currently a Senior here at Eastern Illinois University majoring in Nursing. I am from the south side of Chicago, Illinois. Some things I love to do in my free time would include, long walks on the beach... (just kidding) laughing at funny videos on YouTube, watching many different types of movies depending on my mood that day. Or just sitting around to a good fun filled conversation. ☺

Some of you may not know what a Resident Assistant (RA) is. My job is to be a mediator, friend, and a resource for you to answer any questions you may have, as well as help you set and reach your goals for the year. I will be planning programs and activities to make our floor a community and a fun and wonderful place to call home. We have two floors of females and two floors of males in Weller Hall. Weller is a great place to build lifelong friendships. I am sure that you will find many people to connect and interact with during your time being a Weller Dweller.

Lastly make sure you contact your future roommate to make plans on who brings what and just to get to know each other a little. You will want to start out on the right foot with your new roommate!

If you have any questions or just want to get to know me better, you can e-mail me at jcbonner@eiu.edu . ☺

I hope you all are having a wonderful summer and I cannot wait to meet you all during move in!!

Janae Bonner
