

Dear Resident,

My name is Nicholas Brandon but please call me Nick and I will be your RA for the upcoming school year. I'm from the town of Aurora, IL (If you haven't heard of it watch Wayne's World). This will be my third year at Eastern and my first year being an RA. In my free time I love to listen to old vinyl records (Yes the things before CDs and MP3s) and just talk with people about anything. My major is Elementary education with a concentration in social studies and geography.

As your RA I will try to answer any questions you have about Stevenson, Eastern, or anything else you may have a question about. As a floor we will plan activities, set goals, and create a community. As a community we can do anything from dinners to intramurals. This will be a year full of community, fun, and success.

If any of you have any questions about anything or just want to talk feel free to send me an email at ncbrandon@eiu.edu. If you're on Facebook, which I'm sure all of you are, then please look me up. Just search Nick Brandon on the Eastern Illinois University network. I would love to get to know all of you before move in time

I hope all of you have a great rest of the summer and I can't wait to see you all when you move in.
