

Hi Fab Ford Lady,

I hope the summer has been treating you well. My name is Jesseca Rhymes, and I will be your RA for the upcoming school year. I am from Chicago. I am a junior psychology major. I consider myself a very outgoing and fun person. This is my first year as an RA, and I am really excited. I worked as a desk assistant last year, and I was a Panther Ambassador, so I am very familiar with the campus. I have a lot of school spirit. I love the Eastern community. I am also a member of the National Association for the Advancement of Colored People and the African Student Association.

My favorite color is pink; I'm a very girly girl. I love to shop a little too much. You will catch me shopping online all the time. I love music so much that sometimes I think I can't function unless I have a little music in the background. And I really love to dance, and I love to watch dance. I also like to sing, even though I'm not very good at it. I love my family and friends. I am family oriented person, and I want my learning community to feel like a family.

My family watches a lot of movies, so on most weekends you will catch me watching a movie in my room. My favorite types of movies are musicals and action. So you will catch me watching anything from Mama Mia to Transformers. My favorite thing to do is travel. The best part of travelling is learning new things, meeting new people, and trying new foods and seeing new things. My favorite food is sushi. I am also a big sports fan. I am a diehard White Sox's fan and a Bulls fan.

I hope we have a lot of fun this year. I hope you are open to try new things because I love new adventure. I have lots of different program ideas; I plan to have something for everyone. I am very open to different opinions and ideas; don't be afraid to share things with me especially if you have any ideas about things you want to do on the floor let me know, and I will try to make them happen. I am really going to strive hard to get to know you, so we can have a good relationship. My door is going to open a lot, so feel free to come in and talk to me if you ever need anything; I am here to help you.

Enough about me, I really want to emphasize the importance of getting to know your roommate(s). Make sure you get everything out in the open right away, so you can establish a good level of respect in the beginning. Be honest with your roommate, so they know what you do and do not like. And also get to know your neighbors because you never know when you might need to borrow something.

I hope you have a great rest of the summer, and I can't wait to meet you.
