

Future Ford Resident,

I would like to take this time to welcome or re-welcome you, if you already have lived here, to Ford Hall! My name is Juston and I will be your Resident Assistant for the year. I am a Senior at EIU pursuing a major in Biology with a minor in business...crazy stuff, I know. I live in O'Fallon, IL and graduated from O'Fallon Township High School.

I am here to have a good time like you, so I am more so a resource to you and also as a friend and fellow resident. Truth is I am really just a big kid. However, if you ever need anything whether it is related to personal things, academics, or other miscellaneous stuff, my door is always open, except for when it is closed. Feel free to stop by at any time even if it is for no reason or to say hi, I encourage it.

If you are not familiar with the building, you will be living on the first floor of the male tower which is nice because there is no elevator.

If you have not already done so, I would recommend that you contact your roommate. The earlier the better so that you can get everything organized and ready to go.

Once again I would like to welcome you to the floor. I am looking forward to a fun year and meeting everybody. Welcome to Ford Hall!

Juston Curry
Resident Assistant
