

Hello Everyone!

My name is Anna Nasinska and I will be your R.A. in Stevenson Hall for the 2011-2012 school year. I am from Homer Glen, Illinois and I attended Lockport Township High School. I am a senior History with Teacher Certification major. I am very involved on campus with a variety of different things. I also enjoy swimming, going on walks and watching movies.

I have had many other occupations on campus and something that has always been a passion of mine is to help people, I love when peers come to me and ask questions and I enjoy finding and giving them answers. I can help out with a variety of situations. Please come to me if you have any questions. I'm always more than happy to help. I hope to develop a sense of community on our floor. I know that being upperclassmen we tend to focus more on classes but being involved and participating in interactive floor/hall activities is also important.

Please feel free to contact me at any time. My email address is abnasinska@eiu.edu. If there is ever an emergency and I am not around please feel free to call or text my cell phone: (708) 691-4193. I am also on Facebook, just search my name and I should pop up. Don't forget that move-in day this fall is August 18th and check-in starts at 9 a.m. I cannot wait to meet everyone!

~Anna Nasinska
